Quilter Investors will change the objective of the funds from **30 March 2026**.

The old and new objectives are overleaf for you to compare.

You may want to speak to your financial adviser about the impact of the change. Please speak to them before making any investment decisions, or if you have any questions about the change.

If you don't have a financial adviser, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting quilter.com/financial-advice/find-an-adviser.

How the change will affect your account

- **The value of your holding** – The changes will not affect the value of your fund holding.
- **Risk profile** – The fund's risk profile will not change.
- The Ongoing Charges Figure (OCF) / Total Expense Ratio (TER) will not change.

The OCF/TER represents the ongoing charges for the fund, expressed as a percentage. It is the sum of the Annual Management Charge (AMC) and all other running costs of the fund. OCF is increasingly replacing TER.

Why the change is happening

Quilter Investors are changing the investment objective of each fund to reference that they are one of a range of five risk-targeted funds, and to state where each of the fund's is positioned within that range, based on its specific risk level (i.e. where 'conservative' is the lowest risk level and 'adventurous' is the highest).

At the same time, Quilter Investors will be changing the way the annualised volatility target of each fund is expressed and monitored, and making some additional changes to the investment objectives to make it clearer and easier to understand how each fund is managed.

The next steps

You don't need to take any action unless you would like to choose a new asset from our extensive range. Please speak to your financial adviser before making any investment decisions or if you have any questions about this change.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.

Yours sincerely
