## Vanguard Active UK Equity – fund closure

The Vanguard Active UK Equity fund that you invest in as part of a model portfolio set up by your financial adviser is due to be closed from **22 April 2026**.

We will be unable to accept new investments into the fund from 02 March 2026.

**Your financial adviser will take any action that needs to be taken and, if necessary, help to address any questions you may have.**

### How the fund closing will affect your account

- **Rebalancing** – Any instructions using the fund will automatically continue. These will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Your financial adviser will take any action that needs to be taken and help to answer any questions you may have.

### A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at [quilter.com/interest-on-cash](https://quilter.com/interest-on-cash).

### Capital gains tax – Collective Investment Account only

If you choose to sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

### Why the fund manager is closing the fund

Vanguard have decided to close the fund as it has not achieved the scale expected and is unlikely to attract new investors. The performance has not been as expected. On this basis, Vanguard believes it is in the best interests of investors to close the fund.
