Tax Declaration for Entities Notes and definitions

These notes are for you to keep; please read them before completing and submitting the form.

Why is a tax declaration needed?

- Under Automatic Exchange of Information (AEOI) regulations, Quilter is required to gather information about an entity's tax residency. In some circumstances this also includes the tax residency, nationality or citizenship of persons who are deemed to have control over the entity, such as trustees.
- AEOI is a term that covers Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standards (CRS). These regulations are a commitment made by governments to exchange information about financial accounts held by taxpayers in another participating country.

Completion of the tax declaration is compulsory

- If any information is missing or incomplete, your instruction to us will be delayed and cause the entity to become reportable.
- For further information of AEOI regulations, please refer to the Q&A on our website, visit [quilter.com](https://www.quilter.com) and search 'Tax Declaration Questions and Answers'.

Part 5. The entity

Legal Entity Identifier (LEI)

- An LEI is a 20-character code used to track the identity of any entity entering into a transaction via a stock exchange.
- This is only applicable where the entity has, or is applying for, a Collective Investment Account (CIA) which holds Exchange Traded Instruments (ETIs).
- Failure to provide the entity's LEI will delay your instruction.

Other	<p>Use this option if your entity type is not listed, or if your entity's classification under FATCA/CRS differs from the default provided in the table.</p> <ul style="list-style-type: none"> - Use the space provided to state the nature of the entity and how it is classified under FATCA/CRS. - Provide a GIIN if applicable. - If the entity is a Passive Non-Financial Entity, you must also complete Parts 2 and 3. - Part 4 must be completed in all cases. <p>We may request additional information before proceeding with your instruction.</p>

Global Intermediary Identification Number (GIIN)

- We have requested a GIIN if your entity type is usually classed as a 'Financial Institution' under FATCA regulations, or has a trustee, which is itself a Financial Institution.
- Financial Institutions are required to register for a GIIN and comply with FATCA regulations.
- If the entity or trustee does not have a GIIN you must instead state the entity's classification under FATCA. For example some Financial Institutions also fall under the classification of 'Exempt Beneficial Owner'.

For guidance, please refer to the FATCA agreement for your jurisdiction:

Part 6. Tax residency

The entity's Tax Identification Number (TIN)

A TIN is a number used by the entity when reporting/registering with the tax authority. Common examples are given below.

Jurisdiction	Trust	Company
UK	<p>Unique Tax Reference (UTR) issued when registering a taxable trust and used for trustee tax returns.</p> <p>If registering a non-taxable trust you will be issued with a Unique Reference Number (URN) - Enter this instead.</p>	Unique Tax Reference (UTR) issued when incorporated and used for filing company accounts.
Jersey	Revenue Jersey issues all registered entities with a 10-digit tax identification number.	
Guernsey	Guernsey does not usually issue TINs to trust entities.	Company registration number issued by the Guernsey Registry usually between 1 and 6 digits.
Isle of Man	Tax reference number issued when registering with the income tax division.	

Part 7. Controlling persons

You must identify any controlling person who is a national, citizen or tax resident of a country other than the UK.

What is a controlling person?

- A controlling person is any individual who has, or is deemed to have, influence or control over the entity or has a majority ownership interest in an entity.
- To help you, we've identified common roles within an entity, which meet this description under the regulations. However, if the entity has any other controlling persons, you must include these too.

Entity	Controlling persons
Trust	<ul style="list-style-type: none">- Settlor (if living at the time of completion)- Trustees- Protector- Any beneficiary or member of a class of beneficiaries. This includes (but is not limited to):<ul style="list-style-type: none">• beneficiaries with an absolute entitlement• the life tenant of an interest in possession trust• any beneficiary in receipt of payments from the trust (or will be once the Quilter account is open)
Company	<ul style="list-style-type: none">- The directors- Any shareholder with 25%+ share holding- Any shareholders with voting rights

You only need to provide details of controlling persons who are national, citizen or tax resident in a country other than, or addition to, the UK.

National and **Citizen** may have different meanings under local law. However, they usually apply to a person who has the right to live or work in a country.

Tax resident refers to a person who is resident or deemed resident in a country for the purpose of reporting tax. Their status may be affected by the amount of time spent in a country or whether they're considered a national or citizen.

A person can be a national, citizen or tax resident of more than one country. If you are unsure seek suitable advice.

Tax Identification Number (TIN) for controlling persons

- A TIN is a number issued by the country's tax authority, usually automatically and on becoming resident in the country.
- The following TIN types are required for the UK and Crown Dependencies:

Jurisdiction	Type of TIN
UK	National Insurance Number
Jersey	Social Security Number
Guernsey	Social Security Number
Isle of Man	National Insurance Number

Please tick one of the following

A new trust has been created using a Quilter draft trust deed (includes the CIA Designated Account Request form) to be applied to a new or existing account.

The trustees must register the trust and you must send Quilter the proof of registration document within 90 days of the declaration date on the deed. You may provide the proof of registration document with this form if the trust is already registered.

An existing trust is applying for a new account

You must include the proof of registration document with this form.

An account is to be assigned/transferred to the trustees of an existing trust

You must include the proof of registration document with this form.

An amendment has been made to an existing account held by the trust. This includes:

- adding trustees
- a change in the personal details of a trustee or beneficiary listed on the account.

You must include the updated proof of registration document with this form, reflecting the changes made.

The trust is exempt from registration

No proof of registration document is required.

Help with Trust Registration

- In accordance with HMRC guidance, we can only accept the official Proof of Registration document, which can be accessed by the trustees through their government gateway account (or registering agent). We are not permitted to accept any other document, letter or a 'declared copy' of your registration.
- The information on the proof of registration, such as trustees'/beneficiaries' name, date of birth and residency, must match that provided to Quilter. If there is a discrepancy, your proof of registration document will be rejected. If the discrepancy is not resolved Quilter must report it to HMRC
- Failure to provide a Proof of Registration document, missing or inaccurate information may result in a delay to your application/instruction and trigger a potential fine from HMRC of £5,000
- Quilter has a guide for trustees to help with registration and obtaining the Proof of Registration document.

If you experience any issues when registering, or obtaining the proof of registration document, contact HMRC on 0300 123 1072.
