Dear (Salutation)

Name change for the Neuberger Berman 5G Connectivity fund

Account number: *****
Your financial adviser: *****

I am writing to you because you invested in the Neuberger Berman 5G Connectivity fund, provided by Neuberger Berman Asset Management Ireland Limited .

Neuberger Berman changed the name of the fund on **01 July 2024**.

When a fund changes, we normally try to write to you as soon as possible, to give you time to discuss the situation with your financial adviser and decide if you need to take any action before or just after the change takes place. On this occasion, we did not tell you about the event until now because we did not receive sufficient prior notification from Neuberger Berman Asset Management Ireland Limited. Please accept my apologies that we did not write to you about this change sooner and for any inconvenience or concern that you have experienced as a result of the delay.

Old fund name	New fund name
Neuberger Berman 5G Connectivity	Neuberger Berman Next Generation Connectivity

The fund objective, risk profile and Ongoing Charges Figure (OCF) / Total Expense Ratio (TER) did not change.

The OCF/TER represents the ongoing charges for the fund, expressed as a percentage. It is the sum of the Annual Management Charge (AMC) and all other running costs of the fund. OCF is increasingly replacing TER.

Why the change happened

Neuberger Berman made the change in order to remove reference to “5G”. The rationale for this name change was that reference to 5G is now considered to be outdated in light of more recent developments in the wireless communications space.
