Name change for the Nuveen Global Real Estate Carbon Reduction fund

I am writing to you because you are invested in the Nuveen Global Real Estate Carbon Reduction fund, provided by Nuveen Securities LLC.

Subject to regulatory approval, Nuveen will change the name of the fund from **22 May 2026**. If it isn't approved, we will write to you to let you know.

You'll see the new fund name on our valuations and statements after this date.

Old fund name	New fund name
Nuveen Global Real Estate Carbon Reduction	Nuveen Global Real Estate Opportunities

Nuveen are also updating the investment policy to clarify specific exclusionary screening criteria that are applied to the fund. The fund objective, risk profile and Ongoing Charges Figure (OCF) / Total Expense Ratio (TER) will not change.

The OCF/TER represents the ongoing charges for the fund, expressed as a percentage. It is the sum of the Annual Management Charge (AMC) and all other running costs of the fund. OCF is increasingly replacing TER.

Why the change is happening

The proposed new name broadens the narrative and name recognition of the fund in the market, whilst at the same time resonating with the carbon reduction theme.
