Dear (Salutation)

## Lazard Commodities – fund closure – date change

**Account number:** \*\*\*\*\*

**Your financial adviser:** \*\*\*\*\*

I wrote to you recently regarding the closure of the Lazard Commodities fund that you invest in as part of a model portfolio set up by your financial adviser.

Lazard have decided to extend the closure date of the fund to **30 June 2025**.

We have been unable to accept new investments into the fund since 15 April 2025.

**Your financial adviser will take any action that needs to be taken and, if necessary, help to address any questions you may have.**

### How the fund closing will affect your account

- **Rebalancing** – Any instructions using the fund will automatically continue. These will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Your financial adviser will take any action that needs to be taken and help to answer any questions you may have.

### A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at [quilter.com/interest-on-cash](https://quilter.com/interest-on-cash).

### Capital gains tax – Collective Investment Account only

If you choose to sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

### Why the fund manager is closing the fund

Lazard are closing the fund on the basis that it is no longer commercially viable due to low assets under management, with no expectation for further assets gathering.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.

Yours sincerely
