Assistance with completing the trust deed

This guide is designed to assist with the completion of a absolute trust deed (English law version). This trust deed will create a new absolute trust by assigning the ownership of a new or existing Collective Investment Bond to the chosen trustees.

Please note, neither Quilter Life & Pensions or its staff are authorised to provide legal advice and cannot be held responsible for any actions taken or refrained from being taken as a result of the guidance given in this document.

Tips for getting started

- ✓ Ensure you have the latest version of the deed
- ✓ Ensure you place an application for a Collective Investment Bond in the name of the settlor(s)
- ✓ You'll need to have the name, date of birth and address for the chosen beneficiaries.

When you've completed the deed

- ✓ Remember to include the tax declaration and confirmation of identity forms which are attached to the trust deed.
- ✓ If the settlor has dated the deed, then their financial adviser can deliver the deed to Quilter electronically via <u>PROMPT</u>. Else, post the deed to Quilter, Sunderland, SR43 4JP
- ✓ The trust will need to be registered within 90 days of the settlement date or risk a £5,000 fine. The trustees must send Quilter the proof of registration document.

Settlement Dat	(
----------------	---

- ➔ If you're sending the deed in relation to a recent application for a Collective Investment Bond you can either:
 - Send the deed undated, Quilter will date the deed on the bond's start date or the day it is received by our office (if later). Or
 - Date the deed on or after the bond's start date.
- → If you're sending the deed in relation to an existing Collective Investment Bond, then the settlor must date the deed on or after the bond's start date.
- ➔ If you'd like a specific date to be applied, then the settlor must apply the date themselves. For example, where multiple trusts are dated on separate days.

Where can I find the bond's start date?

On the confirmation schedule issued after we've applied the payment to the bond

Enter the name and address of each settlor

The settlor is the person setting up the trust. They will also be the owner of the Collective Investment Bond.

If there are two settlors, then any reference to 'the settlor' in this deed and guide means both of them.

Does it matter which settlor is listed first / second?

No, the order in which you write the settlors does not have any impact.

Enter the Collective Investment Bond's Reference

This is where we define the asset which is to be placed into the trust. This is particularly important as a trust cannot be declared unless the gift is clearly defined.

You must enter either:

Bond ID

Begins with a 3. Example: 3000012345 **Or, Account number** Begins with AC and ends with a hyphen and three digits Example: AC123456- 002

Where can I find these numbers?

On the confirmation scheduled issued after onboarding the application for the bond via our website.

Other property (if any) / Or part bond assignment

This box is optional. It can be used to either:

- A) Add property other than a Collective Investment Bond into the trust. E.g. Cash.
- B) Assign part of a Collective Investment Bond.
 Example: Writing 1 500 would assign the first 500 segments of the Collective Investment Bond identified above.
