

Discounted Gift Trust (Discretionary Version)

Assistance with completing the trust deed

This guide is designed to assist with the completion of a discounted gift trust deed. This trust deed will create a new discounted gift trust by assigning the ownership of a new or existing Collective Investment Bond to the chosen trustees.

Please note, neither Quilter Life & Pensions or its staff are authorised to provide legal advice and cannot be held responsible for any actions taken or refrained from being taken as a result of the guidance given in this document.

Tips for getting started

- ✓ Ensure you have the [latest version of the trust deed](#)
- ✓ An application for a Collective Investment Bond must be made using the [discounted gift trust application form](#). The form includes a medical questionnaire and an authority for Quilter to contact the settlor's general practitioner (GP).
- ✓ The settlement date on this deed must not be added until medical underwriting is completed and any supplementary evidence received and reviewed by Quilter. We will inform you when the deed can be dated. If you send the deed without a settlement date, then Quilter will date the deed once all requirements are fulfilled.

When you've completed the deed

- ✓ Remember to include the tax declaration and confirmation of identity forms which are attached to the trust deed.
- ✓ If the settlor has dated the deed, then their financial adviser can deliver the deed to Quilter electronically via [PROMPT](#). Else, post the deed to Quilter, Sunderland, SR43 4JP
- ✓ The trust will need to be registered within 90 days of the settlement date or risk a £5,000 fine. *The trustees must send Quilter the proof of registration document.* [Our step-by-step guide](#) will assist with the process

- ➔ In most cases, Quilter will date the deed on receipt for all requirements, including medical underwriting. If you would like Quilter to date the deed, leave blank.
- ➔ If you'd like a specific date to be applied, then the settlor must apply the date themselves.

For example, where multiple trusts are to be dated on separate days.

- ➔ If the settlor would like to date the deed, then the date cannot be earlier than;
 - the bond start date or
 - the date on which all medical underwriting requirements are fulfilled.
- ➔ Our DGT administration team will be in contact with the settlor's financial adviser throughout the underwriting process and can confirm when it is acceptable to date the deed.

Enter the name and address of each settlor

The settlor is the person setting up the trust. They will also be the owner of the Collective Investment Bond.

If there are two settlors, then any reference to 'the settlor' in this deed and guide means both of them.

Does it matter which settlor is listed first / second?

No, the order in which you write the settlors does not have any impact.

See Note 4. The Settlor's spouse or Civil Partner is not specifically included as a beneficiary under the Settlement.
If a person or entity you wish to benefit from the Trust is not already covered by the definition of beneficiary in Clause 2(5), enter their details here. For example, a friend or a specific charity.

Enter the name and address of each trustee (continued)

→ There is space for two more trustees on this page

Enter the trust's name

You can give the trust any name you like but keep in mind that this name will be used by Quilter as the addressee for all correspondence – so it should be a name which you don't mind the postal service seeing.

Enter the name of any additional beneficiaries

This box is optional. You can use it to nominate beneficiaries which are not already covered by the standard definition of beneficiary which given section 2(5) (as outlined here) of the deed.

When would I use this box?

This discounted gift trust is structured as a discretionary trust, which defines the beneficiaries by describing classes.

For example 5 (i) includes children and descendants of the settlor. This means the children, grandchildren and great grandchildren of either settlor are automatically included. This is regardless of whether they're born after the trust's declaration date.

We strongly recommend reviewing the definition of beneficiary as given in the deed. If you would like to include a specific person who is not covered by these definitions, then use the box provided.

If you need more space:

You can write out a list separately. We recommend writing "Section 2(5) Continuation" and the name of your trust in the header.
