- Will the money be paid into a verified bank account?

If you answer **YES** to all questions above:

### *Additional documents we might need*

- **Proof of identification and your signature** – if not already provided.

- More information about which documents we can accept is in the Questions and Answers – see Q4.**

### *How to give us your instructions - see page 1*

### *Timescales - see Q3 in the Questions and Answers*

#### – **Are you moving your money because:**

- You've been told your account isn't safe?
- You've been offered an investment that seems too good to be true?
- You're being rushed or pressured to act quickly?
- Someone you recently met – especially online – is asking for money or wants you to move funds for them?

If you answered yes to any of these questions, **it could be a scam**. Genuine companies, including the Financial Conduct Authority (FCA), will **never** ask you to transfer assets this way, and real friends, partners or online contacts won't pressure you for money.

**Please take a moment to stop and think about whether the request is genuine. Don't let anyone rush you.**

If you're still unsure or think you may be involved in a scam, visit our website, [quilter.com](https://www.quilter.com), for guidance, support, and information on how to report it.

#### – **Financial advice**

- Whatever the reason for selling, we recommend consulting your financial adviser before you do so. Your adviser can explain your options, help you decide the most suitable route and advise you about any tax implications.

## Tax

- There are two ways to make a withdrawal from the bond:
  - PARTIAL surrender across all policies
  - FULL surrender of individual policies

and there are **different tax implications** depending on the method you choose.

The following website contains guidance from HMRC:

[www.gov.uk/government/publications/gains-on-uk-life-insurance-policies-hs320-self-assessment-helpsheet](http://www.gov.uk/government/publications/gains-on-uk-life-insurance-policies-hs320-self-assessment-helpsheet)

- WE CANNOT ADVISE YOU WHICH METHOD IS BEST.
- HMRC rules do not permit us to amend the basis on which a withdrawal was completed if the tax consequences were not what you expected.
- Non-UK Tax – If the deceased was subject to tax in any country outside the UK, please contact a tax specialist to understand any tax liability in that country.

**We strongly recommend consulting a financial adviser before making a withdrawal from the bond.**

## Supplement A

### Sell specific assets

- You only need to complete and return this page if you want to choose which assets to sell to meet your withdrawal payment - see section 6.

Before you choose which assets to use, here is some important information to consider:

- **Unless you select 'withdraw all'**, any amount to be withdrawn from an asset must equate to 95% or less of the asset's value; this is in case changes in prices cause the value to be lower than the amount you request.
- **If you list an asset, but do not specify the amount to sell** we will contact you for clarification, which will delay your withdrawal.
- **If you ask for an entire asset to be sold** and the balance up to a required amount to be taken from another asset, we will sell the first asset, then when we know the amount raised, we will carry out the remainder of your instruction.
- **If you select a portfolio**, we will take the amount requested from the portfolio across all of the assets within it.
- **We can only sell funds that are available for trading**, therefore any that are 'suspended' will not be included when carrying out your instruction. If we can proceed with your request by withdrawing from the available funds, we will do so, otherwise we will seek revised instructions.

Sell the following assets

## CIB Withdrawal/Closure Request

### Questions and Answers

These notes are for you to keep; please read them before completing and submitting your request.

#### 1. Are there any tax implications if I make a withdrawal or close ('surrender') my bond?

Yes, there are **different tax implications** depending on the method you choose if you are making a withdrawal.

- **We cannot advise you which method is best for your personal circumstances.**
- HMRC rules do not permit us to amend the basis on which a withdrawal was completed if the tax consequences were not what you expected.
- The following website contains guidance from HMRC:  
[www.gov.uk/government/publications/gains-on-uk-life-insurance-policies-hs320-self-assessment-helpsheet](http://www.gov.uk/government/publications/gains-on-uk-life-insurance-policies-hs320-self-assessment-helpsheet)
- In addition to the tax implications referred to above, a sale of individual policies which results in closing your bond may result in Quilter Life & Pensions Limited levying a tax charge on any gains resulting from the transaction. If so, the charges will be deducted from the sale proceeds before the balance is sent to you.
- Non UK Tax - If you are subject to tax in any country outside the UK, please contact your tax specialist, to understand whether you will be liable for tax in that country.

#### The importance of financial advice

We strongly recommend that you consult your financial adviser before making a decision to close or withdraw money from your bond.

#### 2. Are there any charges for withdrawing from, or closing, my CIB?

- If you are closing your CIB, any charges and fees which have accrued but which have not yet been paid, will be deducted from the closure proceeds.

#### 3. How long does it take to receive my money?

- We will carry out the withdrawal from the CIB upon receipt of your request. Then, provided we have received all of the information and documents we require, payment will normally be sent or invested in line with your instructions **six working days** after we send your instruction to the asset managers\*\*. However, it can take up to 10 working days. This is because it can take six working days for the sale proceeds to reach our bank account, before we can complete the process for releasing the money.
- Other, delays can sometimes occur, for instance:
  - If you are making a full withdrawal, the calculations for accrued fees and charges on your account can cause delays.
  - If more than one transaction was required to meet your request.
  - If other transactions are in progress on your account; they will need to complete first, even if the assets in those transactions differ from those being sold to meet your withdrawal.
  - If the assets being sold have different 'dealing points\*', whereby we need to wait for all of the assets to be sold before the transaction is complete.
  - If we have been unable to carry out your instruction prior to the 'cut-off time\*' for any of your assets.

\*The time at which assets are priced by the asset managers is known as the 'dealing point'. We operate a 'cut-off time' prior to the dealing point. Details of the cut-off times and dealing points are on the fund information pages on our website [quilter.com](http://quilter.com)

\*\*If you close your CIB, we will pay any income or rebates earned, but not yet received at the point of closure, as a secondary payment. This payment will be made up to 3 months after your closure is processed to allow distributions of varying frequencies to be received. If the total balance is under £10 we will pay to our chosen charity in line with the terms and conditions.

- Payments will be made to a UK bank account by electronic transfer.

#### 4. Do you require anything in addition to this form?

- **Proof of identification and signature** if not already provided by you or your financial adviser. Please enclose either a passport or a photo-card driving licence – either the original or a certified copy\*.
- **Proof of bank account ownership** if we have not already verified\*\* it. The proof can be an original or certified copy\* of a voided cheque or bank account statement dated within the last six months. If you have online bank account statements, a printed copy certified\* as a true copy will suffice.
- **Trust documents** - for trust investments, if the trustees signing the form differ from those we have on our records, we will need to see all trust documents (originals or certified copies\*) showing the trustee changes before we can carry out the request. You must also update HMRC's Trust Registration Service (TRS) to reflect the change in trustees and send the Proof of Registration document to us with this instruction.

\* Copies must be certified on each page in ink by a UK-based professional such as your financial adviser, solicitor, accountant, GP or bank manager (including the bank's stamp). You can scan and send certified documents to us by email - see page 1 for details.

\*\*A verified bank account is one that we have used before in relation to your investment, or for which we have already received proof of ownership (either by post or online).

## 5. What happens if there's a problem with my request?

If, in our view, your instruction is not clear, we will be unable to proceed and we will typically contact you or your financial adviser. This could delay your request.

## 6. Are there any limits when withdrawing from my CIB?

- The minimum withdrawal payment is £50.
- For a partial withdrawal, the maximum you can withdraw is 95% of the value of the entire bond and of any individual assets within it. This is in case changes in prices cause the value of the account/asset to be lower than the amount requested.
- The minimum value to be kept in the bond to keep it open after the withdrawal is £1,000.

## 7. What prices will I get?

Sales of assets are dealt on a 'forward pricing' basis, which means that your assets will be sold at the first prices available after your request was carried out. We therefore cannot guarantee the prices you will receive. However, once the sales are complete, we will send you details including the prices and the value of the proceeds.

## 8. Who can be paid the proceeds?

We can only make payment to the parties listed below:

- **You, the bond holder(s)** – the payee will ordinarily be you, this is therefore the first option shown on the form.
- **Pension schemes** – payment must be made to the pension scheme trustees (eg The Trustees of the ABC Pension Scheme).
- **Trustees** – payments can be made to a trustee bank account, or the personal bank account of at least one of the trustees.
- **Beneficiary of a trust** – we can pay into an account in a beneficiary's name provided they are at least 18 years old and we have proof of their identity (see Q4).
- **A 'Client Money Account'** – we can make payment to a 'client money account' of a financial institution (such as a bank/building society or insurance company/platform), a financial adviser, accountant or a solicitor provided they are authorised to handle client money.
- **Payment to another Quilter Product** – to invest the proceeds in another of our products, your financial adviser must submit your application online for that product as a new application or top-up to an existing account, at the same time as this Withdrawal/Closure Request is made.
  - **The contribution must be submitted as a 'single payment' with the payment method 'bank transfer'.**
  - There could be restrictions concerning the name in which the new product is held (in line with our payment rules described above).
- **If your CIB is held within a Lifestyle Trust** – see Q13 and Q14.

We will include the name of the bond holder(s) on any payments we make.

## 9. Who has to sign this form to authorise the request?

- All bond holders named on the bond, including trustees/authorised signatories (where applicable), even if a Lead Account Holder has been appointed. If an attorney is signing on your behalf, see Q10.
- Your financial adviser can sign this form on your behalf where the CIB is in your sole name and the withdrawal proceeds are being invested into another account with Quilter, which is also in your sole name.
- If the investment has been assigned as collateral (eg as security against a bank loan), the assignee must sign the form.

## 10. What is required if the form is being signed by an attorney?

- The attorney must add 'as attorney' after his/her signature.
- We need to see:
  - the original Power of Attorney, if not already sent to us. We can also accept a copy provided it is certified\* (if the attorney is acting for a trustee, in the capacity of trustee, we need to see a Trustee Power of Attorney)
  - our **Power of Attorney details** form (available from your financial adviser or from our website [quilter.com](https://www.quilter.com))
  - proof of the attorney's identification if not already provided (for details of what we can accept as proof, see Q4, or your financial adviser can verify the identity on the **Power of Attorney details** form).
- You can scan and send certified documents to us by email - see page 1 for details.

\* Under regulations governing Powers of Attorney, a copy must be certified as a true copy in ink on each page, and only by one of the following:

- the donor (the person who is the subject of the Power of Attorney; they may create and certify copies, while they still have capacity to do so)
- a solicitor
- a person authorised to carry out notary activities
- a stockbroker.

The strict legislation does not permit financial advisers to create and certify copies.

### 11. If I change my mind, can I stop my request?

No – once we have received your instructions, they cannot be stopped.

### 12. What if I have more questions?

Your financial adviser should be your first point of contact. However, if you would like to speak to us, please call our Customer Service Centre on 0808 171 2626 or email us at [ask@quilter.com](mailto:ask@quilter.com).

## If your CIB is held within a Lifestyle Trust

### 13. When can I pay policy funds to the settlor?

- You may instruct a surrender of the settlor's policy funds on or after their vesting date.
- The settlor has defined a series of entitlements known as 'policy funds' under schedule 2 of the trust deed. Each policy fund contains one or more of the individual policies which make up your CIB. Alongside each policy fund the settlor has also specified the year in which they will become entitled. The vesting date is the anniversary of the bond (the day and month on which the bond was opened) in that specified year.
- The settlor can also defer the year of their entitlement by writing to the trustees any time before the vesting date. You should check the deed alongside any deferral notices to confirm the correct vesting date of the settlor's policy fund.
- The settlor cannot receive any payments from the trust, other than those policy funds which have vested.

### 14. When can payment be made to a beneficiary?

- The trustees make payments to beneficiaries of the trust at any time, though this may affect the value of the settlor's policy funds.

### 15. Which method of surrender is available to me?

- **Payment of policy funds to the Settlor** - Policy funds are made up of one or more of the CIB's individual policies. The settlor's entitlement can only be paid by the full surrender of a number of policies (option B(i) in section 5). You must specify the number of policies to surrender, you cannot specify a value.
- **All other withdrawals** - You can use all methods outlined in section 5 of the withdrawal request form.
