## ISA Withdrawal/Closure Request

### This form contains the information that you can use to:

- make a partial withdrawal from your ISA
- make a full withdrawal and close your ISA.

### It cannot be used for:

- transferring your ISA to another ISA manager; you will need to contact the other ISA manager to do so.

We regularly update our documents; you or your financial adviser can confirm that this **June 2026** version is the latest by checking on our website [quilter.com](https://www.quilter.com)

**Ours is a flexible ISA;** this means that if you make a partial\* withdrawal the money withdrawn can be paid back into the ISA within the same tax year without counting towards your annual ISA allowance.

\*This facility is not available if you make a full withdrawal and close your ISA.

### How to complete your form (if you are unable to complete your request online)

- **Option 1 (electronic):** Save the form to your desktop, open it in **Adobe Acrobat** to complete the editable fields, then print and sign it.
- **Option 2 (by hand):** Print the form and complete it in BLOCK CAPITALS using blue or black ink.
- **Date Format:** please use **DD/MM/YYYY**.
- **Please read the accompanying 'Questions and Answers'; they will help you complete this request and clarify any additional requirements.**

- Complete the details in each applicable section carefully; we cannot be held responsible for any consequences if they are incorrect. Errors or omissions will not be corrected retrospectively.
- Your financial adviser can sign this request on your behalf in some circumstances – see Q9 in the Questions and Answers.

### Additional documents we might need

- **Proof of identification and your signature** – if not already provided by you or your financial adviser.
- **Proof of bank account ownership** – if not already verified, for the bank account into which your money is to be paid.

**Information about what documents we can accept is in the Questions and Answers – see Q4.**

### Giving us your instructions

- Details about how to give us your instructions online, by email or post are on page 1.
- **Telephone:** alternatively, if you can answer 'yes' to the questions shown on page 1, you can also give your instructions to withdraw up to £75,000 by calling us on 0808 171 2626.

### Timescales - see Q3 in the Questions and Answers.

### Tax

- **Non-UK tax** – if you are subject to tax in any country outside the UK, please contact your tax specialist, to understand whether you will be liable for tax in that country.

– **Are you moving your money because:**

- You've been told your account isn't safe?
- You've been offered an investment that seems too good to be true?
- You're being rushed or pressured to act quickly?
- Someone you recently met – especially online – is asking for money or wants you to move funds for them?

If you answered yes to any of these questions, **it could be a scam**. Genuine companies, including the Financial Conduct Authority (FCA), will **never** ask you to transfer assets this way, and real friends, partners or online contacts won't pressure you for money.

**Please take a moment to stop and think about whether the request is genuine. Don't let anyone rush you.**

If you're still unsure or think you may be involved in a scam, visit our website, [quilter.com](http://quilter.com), for guidance, support, and information on how to report it.

– **Financial advice**

- Whatever the reason for selling, we recommend consulting your financial adviser before you do so. Your adviser can explain your options, help you decide the most suitable route and advise you about any tax implications.

## Supplement A

### Sell specific assets

- You only need to complete and return this page if you want to specify the assets, or how much cash we use, to meet your withdrawal payment - see section 5.

Before you choose which assets to use, here is some important information to consider:

- **Unless you select 'withdraw all'**, any amount to be withdrawn from an asset (other than cash) must equate to 95% or less of the asset's value; this is in case changes in prices cause the value to be lower than the amount you request.
- **If you list an asset, but do not specify the amount to sell** we will contact you for clarification, which will delay your withdrawal.
- **If you ask for an entire asset to be sold** and the balance up to a required amount to be taken from another asset, we will sell the first asset, then when we know the amount raised, we will carry out the remainder of your instruction.
- **If you select a portfolio**, we will take the amount requested from the portfolio across all of the assets within it.
- **If you select any ETIs (Exchange Traded Instruments)**, a Dealing Charge will apply for each ETI sold, which means you might receive less than you requested. ETIs can only be sold in whole shares. Therefore, if the sale proceeds then exceed the required withdrawal amount, the excess will be held as cash within your ISA.
- **We can only sell funds that are available for trading**, therefore any that are 'suspended' will not be included when carrying out your instruction. If we can proceed with your request by withdrawing from the available funds, we will do so, otherwise we will seek revised instructions.

Sell the following assets

| Asset/Portfolio Name | Inc/Acc | Amount to withdraw |   |              |
|----------------------|---------|--------------------|---|--------------|
|                      |         | £                  | % | Withdraw all |
| Cash                 | N/A     |                    |   |              |
|                      |         |                    |   |              |
|                      |         |                    |   |              |

|                      |         |                    |   |              |
|                      |         |                    |   |              |
|                      |         |                    |   |              |
|                      |         |                    |   |              |

## ISA Withdrawal/Closure Request

### Questions and Answers

These notes are for you to keep; please read them before completing and submitting your request.

#### 1. Are there any tax implications if I make a withdrawal?

- Withdrawing from an ISA means that you are taking money from a tax-efficient product; you should speak to your financial adviser before submitting this form.
- However, ours is a flexible ISA, which means that if you make a partial\* withdrawal, the money withdrawn can be paid back into the ISA within the same tax year without counting towards your annual ISA allowance.

\*This facility is not available if you make a full withdrawal and close your ISA.

#### 2. Are there any charges for withdrawing from, or closing, my ISA?

- If you are selling any Exchange Traded Instruments (ETIs) a Dealing Charge is made, for each ETI sold, to cover our stockbroking charges and associated costs.
- If you are closing your account, any charges and fees which have accrued but which have not yet been paid, will be deducted from the closure proceeds.

#### 3. How long does it take to receive my money?

- We will carry out the withdrawal from the ISA upon receipt of your request. Then, provided we have received all of the information and documents we require:
  - withdrawals coming entirely from available cash are typically paid the next working day if we carry out your instruction before 3.45pm
  - if assets are sold to fund withdrawals, payment will normally be sent or invested in line with your instructions six working days after we send your instruction to the asset managers or our stockbroker. However, it can take up to 10 working days. This is because it can take **six working days** for the sale proceeds to reach our bank account, before we can complete the process for releasing the money.
- Other delays can sometimes occur, for instance:
  - If you are making a full withdrawal, any Direct Debits in progress can cause delays, as well as the calculations for accrued fees, charges and interest on your account.
  - If more than one transaction was required to meet your request.
  - If other transactions are in progress on your account; they will need to complete first, even if the assets in those transactions differ from those being sold to meet your withdrawal.
  - If the assets being sold have different 'dealing points\*', whereby we need to wait for all of the assets to be sold before the transaction is complete.
  - If we have been unable to carry out your instruction prior to the 'cut-off time\*' for any of your assets.

\*The time at which assets are priced by the asset managers is known as the 'dealing point'. We operate a 'cut-off time' prior to the dealing point. Details of the cut-off times and dealing points are on the fund information pages on our website [quilter.com](https://www.quilter.com)

- **If you close your ISA** and we then receive income or rebates for the account after it's closed, we'll hold it as cash for 90 days. After that:
  - if it's £10 or more, we'll pay it according to your closure instructions.
  - if it's less than £10, we'll donate it to our chosen charity, as stated in our Terms and Conditions.
- Payments will be made to a UK bank account by electronic transfer.

#### 4. Do you require anything in addition to this form?

- **Proof of identification and signature** if not already provided by you or your financial adviser. Please enclose either a passport or a photo-card driving licence – either the original or a certified copy\*.
- **Proof of bank account ownership** if we have not already verified it\*\*. The proof can be an original or certified copy\* of a voided cheque or bank account statement dated within the last six months. If you have online bank account statements, a printed copy certified\* as a true copy will suffice.

\*Copies must be certified on each page in ink by a professional such as your financial adviser, solicitor, accountant, GP or bank manager (including the bank's stamp). You can scan and send certified documents to us by email - see page 1 for details.

\*\*A verified bank account is one that we have used before in relation to your investment, or for which we have already received proof of ownership (either by post or online).

## 5. What happens if there's a problem with my request?

- If, in our view, your instruction is not clear, we will be unable to proceed and we will typically contact you or your financial adviser. This could delay your request.

## 6. Are there any limits when withdrawing from my ISA?

- The minimum withdrawal payment is £50.
- For a partial withdrawal, the maximum you can withdraw is 95% of the value of the entire account and of any individual assets within it. This is in case changes in prices cause the value of the account/asset to be lower than the amount requested.
- If you withdraw all assets from your account it will be closed; therefore if you do not wish to close it, you should leave a balance in the account to keep it open.

## 7. What prices will I get?

- Sales of assets are dealt on a 'forward pricing' basis, which means that your assets will be sold at the first prices available after your request was carried out. We therefore cannot guarantee the prices you will receive. However, once the sales are complete, we will send you details including the prices and the value of the proceeds.

## 8. Who can be paid the proceeds?

- **You, the account holder** – the payee will ordinarily be you, this is therefore the first option shown on the form.
- **A 'Client Money Account'** – we can make payment to a 'client money account' of a financial institution (such as a bank/building society or insurance company/platform), a financial adviser, an accountant or a solicitor provided they are authorised to handle client money.
- **Payment to another Quilter Product** – to invest the proceeds in another of our products, your financial adviser must submit your application online for that product as a new application or top-up to an existing account, at the same time as this Withdrawal/Closure request is made.
  - **The contribution type for the online application must be submitted as a 'single payment' with the payment method 'bank transfer'.**

We will include the name of the account holder on any payments we make.

## 9. Who has to sign this form to authorise the request?

- You as the ISA account holder. If an attorney is signing on your behalf, see Q10.
- Your financial adviser can sign this request on your behalf where the withdrawal proceeds are being invested into another account with Quilter, which is also in your sole name.

## 10. What is required if the form is being signed by an attorney?

- The attorney must add 'as attorney' after his/her signature.
- We need to see:
  - the original Power of Attorney, if not already sent to us. We can also accept a copy provided it is certified\*
  - our **Power of Attorney details** form (available from your financial adviser or from our website [quilter.com](https://www.quilter.com))
  - proof of the attorney's identification if not already provided (for details of what we can accept as proof, see Q4, or your financial adviser can verify the identity on the **Power of Attorney details** form).
- You can scan and send certified documents to us by email - see page 1 for details.

\*Under regulations governing Powers of Attorney, a copy must be certified as a true copy in ink on each page, and only by one of the following:

- the donor (the person who is the subject of the Power of Attorney; they may create and certify copies, while they still have capacity to do so)
- a solicitor
- a person authorised to carry out notary activities
- a stockbroker.

The strict legislation does not permit financial advisers to create and certify copies.

## 11. If I change my mind, can I stop my request?

- No – once we have received your instructions, they cannot be stopped.

## 12. What if I have more questions?

- Your financial adviser should be your first point of contact. However, if you would like to speak to us, please call our Customer Service Centre on 0808 171 2626 or email us at [ask@quilter.com](mailto:ask@quilter.com).
