 - I have relevant UK earnings chargeable to income tax for this tax year; or
 - I will be resident in the UK at some time this tax year; or

- o) If the investor is suffering from a mental disorder, I confirm that I am a parent, attorney, guardian, spouse, civil partner, son or daughter of the investor.

- f) I understand that where I have insufficient unused Lump Sum Allowance to allow the payment of the benefits in full, Quilter will pay the maximum amount of benefits without exceeding the allowance.
- g) Any tax-free cash will not be used to fund further contributions to any registered pension scheme to the extent that either I or Quilter will suffer a tax liability.

Phased investment allows you to invest gradually from cash in your account into your chosen investment(s) over a period of 3, 6 or 12 months.

Rebalances are where the weightings of portfolio assets are periodically realigned, to match the percentages set by your financial adviser or portfolio manager.

5. Important documents – I have been given the opportunity to read and keep the following, and to have any questions concerning them answered to my satisfaction:

- a) Terms and Conditions, to which I agree

 - adviser initial fee (cash transfer where immediate maximum tax-free cash has been selected) – by deduction from the remaining amount after payment of tax-free cash but before the balance is invested
 - adviser ongoing servicing fee – by deduction from cash or, where insufficient cash is held, proportionally from all funds in:
 - (for crystallised sub accounts) the respective crystallised sub account
 - (for an uncrystallised sub account) the largest valued **crystallised** sub account held in my account. Where there are no crystallised sub accounts, or insufficient value in the crystallised sub account to meet the fee, I understand it will be deducted from the uncrystallised sub account.
 - ii) if I authorise a servicing fee or DIM portfolio fee:
 - as a percentage amount, the fee paid may go up or down depending on the value of the investment on the date the fee is calculated
 - the agreed fee will be an annual amount, which will be divided by the payment frequency selected and paid to my adviser or DIM accordingly
 - the servicing fee will apply to the entire account and will override any existing Servicing Fee on the account
 - VAT may also be payable on DIM portfolio fees.
 - iii) regular initial fee payments:
 - will be deducted at the same frequency as the Direct Debit collections, on a date based on the anniversary date of the account
 - will be deducted for the number of payments I authorise, unless my Direct Debit is cancelled in which case the fee payments will stop.
 - iv) fees will be paid in line with my account Terms and Conditions and subject to the limits outlined in Quilter’s Remuneration Guide for financial advisers.
 - v) my fee authorisation will be retained by my financial adviser, who will inform Quilter of the fee(s) I have authorised.
 - vi) Quilter will confirm details to me of the fees applied to my account.
 - vii) I will need to reauthorise any increases to fees that have been previously agreed.

 - ii) my financial adviser has explained the effect that selling units to pay fees from my investment will have on its future value.
 - d) I understand that:
 - i) I can cancel an adviser ongoing servicing fee at least 10 working days before it is deducted, by contacting Quilter, but I cannot make changes to a discretionary management portfolio fee
 - ii) I cannot cancel a fee once it has been deducted, instead I would need to contact my financial adviser to discuss whether a refund is payable
 - iii) if I cancel a fee, a pro rata payment may be made for the period up to the date of cancellation.
 - e) If I am converting to Charge Basis 2 or Charge Basis 3:
 - i) I instruct Quilter to stop any commission payments currently being paid to my adviser (if applicable) in respect of this investment under Charge Basis 1 with immediate effect
 - ii) I understand that existing commission arrangements will not convert to fees when my account changes to the new Charge Basis, and that fees will therefore need to be agreed separately

Income Withdrawal Request

– *Collective Retirement Account (CRA)*

This form contains the information that you can use to:

- set up regular income withdrawals from a crystallised account
- make a single income withdrawal from a crystallised account
- change existing regular income withdrawals
- convert a crystallised account from capped drawdown to flexi-access drawdown.

This form cannot be used:

- with uncrystallised accounts.

We regularly update our documents; your financial adviser can confirm that this **January 2026** version is the latest by checking on our website [quilter.com](https://www.quilter.com).

- A current valuation statement should be obtained to ascertain the details of assets held within your CRA. Please note the value on this statement is not guaranteed and is subject to change.
- Your CRA can hold a number of uncrystallised and crystallised accounts. In general, an uncrystallised account holds assets where a tax-free lump sum is still available, while a crystallised account holds assets where a tax-free lump sum is no longer available.

Completing this form (if your request cannot be submitted online)

- **Option 1 (electronic):** Save the form to your desktop, open it in **Adobe Acrobat** to complete the editable fields, then either print and sign it, or sign it digitally.
- **Option 2 (by hand):** Print the form and complete it in BLOCK CAPITALS using blue or black ink.
- **Date Format:** please use **DD/MM/YYYY**.
- Missing or unclear information may result in a delay in processing, or even the return of this form. We are unable to correct errors or omissions retrospectively.

Additional documents we might need

- **Proof of identification and your signature** – if not already provided by you or your financial adviser.
- **Proof of bank account ownership** – If we have not already seen it. See section 7.

Giving us your instruction - see page 1.

Timescales

- **Single income withdrawal** – We'll usually make payments within 10* working days once we have everything we need.
- **Regular income withdrawals** – Your payment will be made on the date you choose*, or the working day before if that date falls on a non-working day. We must receive your instructions at least 10 working days before the start date.

– **If there are any other transactions in progress on your account**, it could delay the payment. If this happens, we will make the payment at the earliest possible date once the other transactions have completed. This also applies if a regular income withdrawal payment is due at the time you request a single withdrawal, in that the regular payment must complete before we can make the single payment.

– **Quilter Smoothed Fund:** if you are invested in a Quilter Smoothed Fund and wish to take a lump sum single withdrawal, certain conditions will apply when withdrawing assets, if you choose to sell a Quilter Smoothed Fund as part of this instruction:

- a 10-working day notice period will be applied before your transaction begins
- payment will therefore be made 16 to 18 working days after receipt of your request.

For more information, please read the Fund Information Document for Quilter Smoothed Funds, available at [quilter.com/smoothed-funds](https://www.quilter.com/smoothed-funds).

3. Convert to flexi-access drawdown

In this section, and in other parts of this form, we refer to capped and flexi-access drawdown. Your income withdrawal options will depend on whether your account is in capped or flexi-access drawdown.

Capped drawdown

- If you started capped drawdown before 6 April 2015 and haven't converted to flexi-access drawdown, you're still in capped drawdown. You can change your income withdrawals, but only up to the maximum limit set at your last review. These reviews happen every three years until age 75, then every year after that. Some events may also trigger a review, and you can choose to recalculate your maximum income each year.
- If you are in capped drawdown and you ask for more than your allowed limit - either as a regular or single payment - we can't process it unless you convert to flexi-access drawdown. You can choose to convert at any time by ticking the box below. For more details, please speak to your adviser.

Flexi-access drawdown

- With flexi-access drawdown, there's no limit ('cap') on how much income you can take. But once you start taking income this way, the amount you can pay into defined contribution pensions each tax year is limited. This limit is called the Money Purchase Annual Allowance (MPAA), and it's currently £10,000.

Convert to flexi-access drawdown

Tick here if you are in capped drawdown and you now want to change to flexi-access drawdown.

- ▶ This means your annual income will no longer be capped and there will be a reduction in the annual amount you can pay into money purchase pensions known as the Money Purchase Annual Allowance or MPAA. For more information please contact your financial adviser.
- ▶ Before you are able to convert, you must hold sufficient cash within your account to cover the cost of any fees and charges accrued to the date of conversion. Your financial adviser can help you with this.

4. Regular income withdrawals (if required)

Complete this section to set up, change or stop your regular income withdrawals, otherwise any regular income you currently receive from this account will continue unchanged.

- We will need to receive any amendments to existing instructions at least 10 working days before the next payment date.
- If you invest in a Quilter Smoothed Fund, and there has been a downward price adjustment to the smoothed price, any element of a regular withdrawal that is above the 7.5% regular withdrawal allowance will receive the adjusted smoothed price.

4.1 Set up or amend regular withdrawals

Start date*

Any day from 01-28; if left blank, we will apply the earliest possible payment date.

*The start date could be delayed if there are other transactions in progress on your account; see 'Timescales' on page 2.

Safeguarded benefits

Safeguarded benefits are benefits which are neither flexible benefits nor cash balance benefits. Broadly, this means guaranteed pension benefits, such as those offered by defined benefits (DB) occupational pension schemes, deferred annuity contracts with a guarantee and conventional retirement annuity contracts with guaranteed annuity rates.

Due to the complex nature of transfers where safeguarded benefits are involved, we will not accept such transfers on a non-advised, or execution-only, basis regardless of the size of the transfer value and/or the FCA permissions which the adviser holds. We do not accept ‘insistent client’ transfers.

8B Transfer declaration - safeguarded benefits

(other than transfers involving guaranteed annuity rates or where the applicant cannot remain in the scheme)

- This section applies to transfers of guaranteed pension benefits, such as those offered by defined benefits (DB) occupational pension schemes and deferred annuity contracts with a guarantee.
- It is not applicable for safeguarded benefit transfers involving only guaranteed annuity rates or where the applicant cannot remain in the scheme.

Quilter will only accept the transfer if all the following statements apply:

For this transfer where the client is proposing to give up some, or all, of their safeguarded benefits, I have ticked here, and in the appropriate contingent charging section below, as the client's financial adviser to confirm all of the following points:

- the client has received a transfer value comparator in line with COBS 19.1.3A; and
- an appropriate pension transfer analysis in line with COBS 19.1.2B has been carried out; and
- this application to transfer is being submitted on behalf of the client in line with a 'personal recommendation to transfer' after full advice; and
- the client is not an 'insistent client' and this transfer is not being transacted on an 'execution-only' basis; and
- to the best of my knowledge and belief, the client understands how the key outcomes from the appropriate pension transfer analysis and the transfer value comparator contribute towards the personal recommendation to transfer.
- Please tick the appropriate option(s) below.
 - Contingent charging has not been used

OR

- The client agreed to be charged on a contingent basis and the:
 - client's medical condition has given them a life expectancy of less than 75

- client is in serious financial difficulty.

Acceptance of the transfer request

- Quilter will only accept a Transfer Request if the box relating to the six statements above has been ticked by your financial adviser (or your financial adviser has provided a separate signed declaration making the same statements) and all our other requirements have been met.
- Failing to provide this confirmation will delay the potential acceptance of your Transfer Request. If any such delay means that the transfer does not proceed within the Cash Equivalent Transfer Value (CETV) guarantee period that currently applies, this may affect your transfer value. Quilter will not be liable for any re-calculation fee, or potential drop in the transfer value following such a re-calculation.
- Quilter will decline this application if your financial adviser cannot provide this confirmation.

Transfer documentation

- It is important to submit the transfer request, with any documentation required by the ceding scheme, as soon as possible.
- Quilter cannot guarantee that the transfer request will be processed by the end of the CETV guarantee period. However, to reduce the risk of missing the CETV deadline, Quilter needs all related documentation **at least 5 working days before the end of the CETV guarantee period.**
- Quilter accepts no liability for any costs, claims or liabilities arising from a missed CETV guarantee period.
