Bluefield Solar Income Fund Ltd – closure

The Bluefield Solar Income Fund Ltd Investment Trust that you invest in with us is due to be closed from **31 July 2026**.

The closure is subject to shareholder approval. If it isn't approved, we will write to let you know.

We have been unable to accept new investments into the Investment Trust since 06 July 2026.

The last day we can sell units in the Investment Trust will be 30 July 2026.

To continue receiving the benefits of being invested in this type of asset you will need to switch into an alternative asset(s) from our extensive range.

If you don't have a financial adviser, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting quilter.com/financial-advice/find-an-adviser.

What happens if you don't take action

If we don't hear from you by 3:15pm on 30 July 2026 the Bluefield Solar Income Fund Ltd Investment Trust will close and you will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

The asset will close in line with the Investment Trusts timeframe, which could mean it will take some time for the proceeds to appear on your account.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at quilter.com/login or by sending us a switch form in the post.

A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at quilter.com/interest-on-cash.

Why the Investment Trust is closing

On 1 June 2026, the boards of Bluefield Solar Income Fund Ltd (BSIF) and Drax Bidco announced that they had reached agreement regarding an all cash requisition of BSIF by Drax Bidco. The BSIF shares will be delisted and shareholders will receive cash.
