abrdn Europe ex UK Ethical Equity – fund closure

The abrdn Europe ex UK Ethical Equity fund that you invest in as part of a model portfolio set up by your financial adviser is due to be closed from **21 September 2026**.

We will be unable to accept new investments into the fund from 14 August 2026.

Your financial adviser will take any action that needs to be taken and, if necessary, help to address any questions you may have.

How the fund closing will affect your account

- **Phasing and Rebalancing** – Any **phased investment** or **rebalancing** instructions using the fund will automatically continue. These will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.
- **Direct Debits** – If you are paying into the fund by Direct Debit future payments will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Your financial adviser will take any action that needs to be taken and help to answer any questions you may have.

A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at quilter.com/interest-on-cash.

Capital gains tax – Collective Investment Account only

When you sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

Life fund tax charge - Collective Investment Bond only

You may notice a life fund tax charge appear on your statements following the sale of units linked to your bond. This is calculated based on gains arising from the units sold. For further details on this charge please refer to your financial adviser or your terms and conditions.

The cost of the closure

The transaction costs of selling down the portfolio for the closure will be borne by the fund and are estimated to be approximately 0.07% of the fund value.

Why the fund manager is closing the fund

The fund has experienced outflows and a gradual decline in its net asset value. Additionally, the largest investor has confirmed their intention to redeem their shareholding in the fund. Considering this, and in the absence of realistic opportunities for future growth, the fund would no longer be considered to be commercially viable.

Following consideration of the available options, abrdn Fund Managers Limited believe it is in the best interest of all shareholders to close the fund, liquidate all of the underlying assets and return the proceeds to investors.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.
