Dear (Salutation)

Artemis (Lux) Leading Consumer Brands – fund closure

Account number:

Your financial adviser:

The Artemis (Lux) Leading Consumer Brands fund that you invest in with us closed on 31 July 2025.

When a fund changes, we normally try to write to you as soon as possible, to give you time to discuss the situation with your financial adviser and decide if you need to take any action. On this occasion, we did not tell you about the event until now because we did not receive sufficient prior notification from Artemis Investment Management LLP. I am sorry that we did not write to you about this change sooner and for any inconvenience or concern that you have experienced because of this delay.

You will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

To continue receiving the benefits of being invested in this type of fund you will need to switch into an alternative asset(s) from our extensive range.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at **quilter.com/login** or by sending us a switch form in the post. You can switch free of any Quilter administration charges.

If you don't have a financial adviser, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting **quilter.com/financial-advice/find-an-adviser**.

A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at quilter.com/interest-on-cash.

Why the fund manager closed the fund

The value of the net assets in the fund were below the minimum level for it to be operated in an economically efficient manner by Artemis.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.

Yours sincerely
