Dear (Salutation)

## Downing Renewables & Infrastructure Trust plc – asset closure

Account number: XXXXXX

Your financial adviser: XXXXXX

The Downing Renewables & Infrastructure Trust plc that you invest in with us is due to be closed from **26 August 2025**.

We have been unable to accept new investments into the asset since 05 August 2025.

**The last day we can sell units in the asset will be 14:00 on 20 August 2025.**

To continue receiving the benefits of being invested in this type of asset you will need to switch into an alternative asset from our extensive range.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at **quilter.com/login** or by sending us a switch form in the post.

**If you don't have a financial adviser**, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting **quilter.com/financial-advice/find-an-adviser**.

### A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at **quilter.com/interest-on-cash**.

### What happens if you don't take action

If we don't hear from you by 14:00 on 20 August 2025 the Downing Renewables & Infrastructure Trust plc will close and you will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

**The asset will close in line with the fund group's timeframe, which could mean it will take some time for the proceeds to appear on your account.**

### Capital gains tax – Collective Investment Account only

If you choose to sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

### Why the asset is closing

The significant and persistent trading discount against the Net Asset Value over the last 12 months has prevented the trust from issuing new shares to reach a more meaningful scale and it has therefore agreed to a private takeover. The Board believes that this is in the best interest of shareholders as a whole.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.

Yours sincerely,
