- Percentage fees can be entered up to two decimal places.
- Where a percentage fee amount is agreed, the fee paid may go up or down depending on the value of your investment on the date the fee is deducted.
- Any servicing fee authorised will override any existing servicing fee instruction on this account.
- If you leave the frequency blank, we will assume 'monthly'.
- If you wish to cancel an existing fee instruction using this form, enter £0 or 0% in the boxes below. It will be cancelled for the whole account, not just the investment in this application.

B - Fixed percentage

Fee amount	%	of the account value each year

C - Tiered percentage

[illegible]

* We use the combined value of the investments held under the Customer Reference number to determine the fee rate and then apply that rate to the value of this account. The fee is calculated on a daily basis using the value of the account, multiplied by the annual fee rate and divided by 365.25. The total of accrued daily fees is taken in line with the frequency selected.
