Allianz Food Security – fund closure

I am writing to you because you are invested in the Allianz Food Security fund, provided by Allianz Global Investors GmbH.

Allianz will be merging the fund into a fund that we do not offer on our platform. As a result, we will be closing the fund on 13 October 2026.

We have been unable to accept new investments into the fund since 22 September 2026.

The last day we can sell units in the fund will be 12 October 2026.

To continue receiving the benefits of being invested in this type of fund you will need to switch into an alternative asset(s) from our extensive range.

If you don't have a financial adviser, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting **quilter.com/financial-advice/find-an-adviser**.

What happens if you don't take action

If we don't hear from you by 09 October 2026 the Allianz Food Security fund will close and you will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at **quilter.com/login** or by sending us a switch form in the post.

A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at **quilter.com/interest-on-cash**.
