Dear (Salutation)

## Premier Miton Global Smaller Companies – fund closure

Account number: XXXXXX

Your financial adviser: XXXXXX

The Premier Miton Global Smaller Companies fund that you invest in with us is due to be closed from **11 November 2025**.

We have been unable to accept new investments into the fund since 29 September 2025.

**The last day we can sell units in the fund will be 10 November 2025.**

To continue receiving the benefits of being invested in this type of fund you will need to switch into an alternative asset(s) from our extensive range.

**If you don't have a financial adviser**, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. If you would like to search for an adviser in your area you can start by visiting [quilter.com/financial-advice/find-an-adviser](https://quilter.com/financial-advice/find-an-adviser).

### How the fund closure will affect your account

- **Phased investment** – Instructions using the fund will automatically continue after the closure. Unless you give us an alternative choice, future transactions will be reapportioned across the other assets in your instruction, or cash if the closing fund is the only fund in your instruction.
- **Direct Debits** – If you are paying into the fund by Direct Debit:
  - 1) payments up to and including 29 September 2025 will be allocated to the Premier Miton Global Smaller Companies fund
  - 2) payments from 30 September 2025 will buy units proportionally across the other assets in your Direct Debit instruction. If the closing fund is the only fund in your Direct Debit instruction we will allocate your payment to cash, where it will stay until you send us a new instruction.

Please note: if a regular Direct Debit payment is allocated to the closing fund, and you decide to switch to an alternative asset(s) from our extensive range, your Direct Debit will not automatically invest into your new asset choice. You will need to update your Direct Debit instruction separately with us.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at [quilter.com/login](https://quilter.com/login) or by sending us a switch form in the post.

### A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at [quilter.com/interest-on-cash](https://quilter.com/interest-on-cash).

### What happens if you don't take action

If we don't hear from you by 11:00 on 10 November 2025 the Premier Miton Global Smaller Companies fund will close and you will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

**The fund will close in line with the fund group's timeframe, which could mean it will take some time for the proceeds to appear on your account.**

### Capital gains tax – Collective Investment Account only

If you choose to sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

### Closure subject to FCA approval

The closure is subject to FCA approval. If it isn't approved, we'll write to let you know.

### Why the fund manager is closing the fund

Premier Portfolio Managers Limited launched the fund in March 2021, but it has not attracted sufficient investors since then. They do not believe there will be sufficient interest in the fund going forward to make it economically sustainable for investors.

Premier will retain approximately 2% of the proceeds of the fund to cover any liabilities that the fund may have from its normal operations. These will not include the cost of winding up the fund, which will be paid by Premier Miton. Once the final accounts have been completed for the fund, expected to be by 27 February 2026, any remaining money in the fund will be paid to shareholders who were invested in the fund on 11 November 2025.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.

Yours faithfully,

**Callum Earl**
