FSSA Indian Subcontinent All-Cap – fund closure

The FSSA Indian Subcontinent All-Cap fund that you invest in with us is due to be closed from **26 November 2026**.

We have been unable to accept new investments into the fund since 21 September 2026.

The last day we can sell units in the fund will be 25 November 2026.

To continue receiving the benefits of being invested in this type of fund you will need to switch into an alternative asset(s) from our extensive range.

If you don't have a financial adviser, we recommend that you consider the benefits of receiving professional financial advice, which can be especially important when you need to make investment decisions. What happens if you don't take action

If we don't hear from you by 11:00 on 25 November 2026 the FSSA Indian Subcontinent All-Cap fund will close and you will receive cash based on the value of your holding at the closure date. It will stay in cash until you choose a new asset.

The fund will close in line with the fund group's timeframe, which could mean it will take some time for the proceeds to appear on your account.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Alternatively, you can switch the cash into an alternative asset(s) from our extensive range. Your financial adviser can give us your switch instruction, or you can switch by logging into our online Customer Centre at quilter.com/login or by sending us a switch form in the post.

A note about cash in your account

We don't take any product or service charges on your cash balance (although the value is still included in the total value calculation for the charge). Instead, we pay you a rate of interest on cash in your account and we are paid by retaining a proportion of the interest we receive from our banking partners.

You can find more information, including the current interest rate payable and how much interest we retain, on our website at quilter.com/interest-on-cash.

Capital gains tax – Collective Investment Account only

When you sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

Life fund tax charge - Collective Investment Bond only

You may notice a life fund tax charge appear on your statements following the sale of units linked to your bond. This is calculated based on gains arising from the units sold. For further details on this charge please refer to your financial adviser or your terms and conditions.

The cost of the closure

The transaction costs of selling down the portfolio for the closure will be borne by the fund and are estimated to be approximately 0.32% of the fund value.

Why the fund manager is closing the fund

First Sentier have decided to close the fund as it is small and they do not expect it to achieve significant growth in the future. After careful consideration, they no longer believe it is commercially viable to operate the fund on a long-term basis.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.
