Tax-free lump sum and income withdrawal

- *Collective Retirement Account (CRA)*
- *For completion with a financial adviser only*

This form contains the information that you can use to:

- ☒ withdraw a tax-free lump sum (and taxable income, if required) from a new transfer payment or lump sum investment into a CRA
- ☒ withdraw a tax-free lump sum (and taxable income, if required) from an uncrystallised CRA.

It cannot be used:

- ☐ to take income from crystallised accounts.

We regularly update our documents; your financial adviser can confirm that this **September 2025** version is the latest by checking our website quilter.com

If we create a new crystallised account for you as part of this process, any Treasured Asset or Phased Investment instructions on the existing account will not apply to the new account. Your adviser can provide the forms for these features if required for the new account.

- A current valuation statement should be obtained to ascertain the details of funds held within your CRA. Please note the value on this statement is not guaranteed and is subject to change.
- You can only withdraw after reaching your minimum pension age, usually 55 (rising to 57 from 2028). In special cases like ill health or transferring from a scheme with a lower protected pension age, you might be able to take benefits earlier.
- Your CRA can hold a number of uncrystallised and crystallised accounts. In general, an uncrystallised account holds assets where a tax-free lump sum is still available, while a crystallised account holds assets where a tax-free lump sum is no longer available.

Completing this form (if your request cannot be submitted online)

- **Option 1 (electronic):** Save the form to your desktop, open it in **Adobe Acrobat** to complete the editable fields, then either print and sign it, or sign it digitally.
- **Option 2 (by hand):** Print the form and complete it in BLOCK CAPITALS using blue or black ink.
- **Date Format:** please use DD/MM/YYYY.
- Missing or unclear information may result in delays. We are unable to correct errors or omissions retrospectively.
- Details about how to send us your instructions are on page 1.

Additional documents* we might need

- **Proof of bank account ownership** – If this is the first time money has been taken from this account - see section 10.
- **HMRC certificate** – If you are applying for any protected tax-free allowances - see Supplement C.

*You can scan and send certified documents to us by email - see page 1 for details.

Timescales

- **Tax-free lump sums** will normally be made within 10* working days of all our requirements being met.
- **Single income withdrawal** – Payments will normally be made within 10* working days of all our requirements being met.
- **Regular income withdrawals** – Payment will be made on the day of the month chosen by you*, or the working day before if this date is a non-working day. We must receive your instructions at least 10 working days before the start date.

* If there are any other transactions in progress on your account, it could delay the payment. If this happens, we will make the payment at the earliest possible date once the other transactions have completed. This also applies if a regular income withdrawal payment is due at the time you request a single withdrawal, in that the regular payment must complete before we can make the single payment. Where an account is being fully crystallised, payments will normally be made within 15 working days of all our requirements being met.

Tax information

- **Tax-free lump sum** – Normally 25% of the uncrystallised money will be tax-free.
- **Taxable income** – You will have to pay tax on the income you receive in the same way as you would on a salary. How much you pay depends on your total income. If this is the first time that you will be taking an income withdrawal from your account, generally Quilter won't know your overall income and will use an emergency tax code to start with. This means you may pay too much tax initially and have to claim the money back from HM Revenue & Customs (HMRC). Alternatively, you might owe more tax if you have other sources of income. If you have taken income previously, tax will be deducted based on the tax code provided by HMRC. If you select a single income withdrawal payment and receive it in the same tax month period* as your next regular payment, HMRC may reissue your tax code. This could prevent us from paying you that next regular payment, which will then be held in cash in your account. Subsequent regular payments would not be affected. Please see our Guide to Income Tax and Your Pension for further information.
*A tax month period runs from the 6th of the month until the 5th of the following month.
- **Non-UK Tax** – If you are subject to tax in any country outside the UK, please contact your tax specialist, to understand whether you will be liable for tax in that country.

1. Financial adviser declaration

This statement must be completed in order for Quilter to carry out the instruction on behalf of the client.

I confirm:

- I have provided my client with advice and discussed the appropriate risks in relation to this transaction
- I have seen evidence of age and my client is over age 55, or over the applicable protected age
- I have provided my client with an illustration in relation to this withdrawal, in line with my regulatory responsibilities as financial adviser, as detailed in FCA Sourcebook COBS 14.

3. Retirement assumptions

- **The retirement age/date** is when you expect to start taking benefits from your account. Usually, it can be any age/date from your 55th* birthday to your 75th birthday. (However, if you have a lower protected pension age based on a particular occupation, your retirement age/date can be any age/date from your protected pension age to your 75th birthday.) Your chosen age/date will be used for illustration purposes.
- A few months before you reach your retirement age/date, we will write to you regarding your pension options, unless you have already elected to take all your benefits from this account beforehand.
- **Your annuity age** is when you expect to convert your pension account into a lifetime annuity. This can be the same as your retirement age and will also be used for illustration purposes.

4. Crystallisation options

4.1 Is this a request for an immediate maximum tax-free lump sum?

► Only available if you are making a new transfer or lump sum investment and you require an immediate maximum tax-free lump sum from the entire investment.

Yes – now go to section 5

No – now go to section 4.2

4.2 Crystallisation options ► Please tell us the proportion of your account you wish to crystallise

Full crystallisation

Partial crystallisation - Please enter the amount below

Partial crystallisation amount

£

Payment options for 4.2

Payment will be made to you, into the bank account you nominate in section 10.

However, if preferred, you can receive some of the payment into your bank account and/or invest some or all of the payment into another product* with us by completing Supplement D at the end of this form.

Tick one of the following options as required.

► If left blank we will assume option i).

i) Please make payment into my bank account, detailed in section 10.

ii) Please make payment in line with my instructions in Supplement D. Please complete **Supplement D**.

*Quilter products: Individual Savings Account (ISA), Junior ISA (JISA), Collective Investment Account (CIA), Collective Investment Bond (CIB), Collective Retirement Account (CRA).

- Your tax-free lump sum entitlement will typically be 25% of the crystallisation amount.
- If you're crystallising your entire uncrystallised account and there's not enough cash to cover the tax-free lump sum, we'll sell assets proportionally across all assets in your account, adding 10% to cover market fluctuations. Once the tax-free lump sum has been paid, any residual amount will be moved to your crystallised account and held as cash.

5. Tax-free allowance used previously

As you have asked to take tax-free cash, we need to check that the amount you have asked to take is within your allowance.

5.1 To check if you have enough tax-free allowance, please confirm if you have:

- taken a lump sum from any of your pension pots?
- used a pension pot to buy a guaranteed lifetime income called an annuity?
- started receiving an income for life from your workplace pension or personal pension called a scheme pension?
- moved some or all of your pension pots into drawdown so you can draw income straight from that pot?
- transferred any money from your pension pot to an overseas pension scheme?
- reached age 75 before 6 April 2024?

No to all – go to section 6

Yes to 1 or more – go to section 5.2

5.2 Did the event(s) mentioned in section 5.1 only ever happen in your CRA or to money that's now in your CRA?

Yes – go to section 6

No – complete **Supplement A** on page 10 entitled 'Events outside of the CRA', then go to section 6

If you didn't take any tax-free lump sums between your 75th birthday and 6 April 2024, you might qualify for what's known as the 'age 75 disregard'. This means certain amounts may be excluded when calculating how much of your allowance has been used, potentially increasing your available tax-free allowance. To find out if you're eligible, please see our Age 75 Disregard form, available from your financial adviser.

6. Protected tax-free allowances

Do you have any form of protected Lump Sum Allowance/Lump Sum and Death Benefit Allowances?

No – go to section 7

Yes – complete **Supplement C** on page 12 entitled 'Protected tax-free allowances', then go to section 7

7. Adviser ongoing servicing fee – crystallised accounts

Complete this section to set up or amend an adviser ongoing servicing fee. Any existing ongoing servicing fee will continue unless you change it below.

- The servicing fee is an annual amount including VAT, which will be divided by the payment frequency selected and paid accordingly. ► *For example, £100 half-yearly would be £50 every six months.*
- Percentage fees can be entered up to two decimal places.
- Where a percentage fee amount is agreed, the fee paid may go up or down depending on the value of your investment on the date the fee is deducted.
- Any servicing fee authorised will override any existing servicing fee instruction on the crystallised account to which this instruction relates.
- If you leave the frequency blank, we will assume 'monthly'.
- If you wish to cancel an existing fee instruction using this form, enter £0 or 0% in the boxes below. It will be cancelled for the whole account.

A - Fixed monetary amount

** We use the combined value of the investments held under the Customer Reference number to determine the fee rate and then apply that rate to the value of this account. The fee is calculated on a daily basis using the value of the account, multiplied by the annual fee rate and divided by 365.25. The total of accrued daily fees is taken in line with the frequency selected.*

8. Asset selection

Part A. Assets to sell to provide your tax-free lump sum

You do not need to complete this section if you are making a new transfer payment or lump sum investment and have chosen an immediate maximum tax-free lump sum.

In all other cases we will meet your tax-free lump sum amount by using any available cash held in your uncrystallised account. Where there is insufficient cash to pay all of the lump sum you have requested we will sell proportionally across all assets.

Alternatively, you can choose which assets to use if you don't want us to sell proportionally across all assets, by completing the details below:

- If you select a portfolio below, we will take the amount requested from the portfolio as a whole; we cannot withdraw from individual assets within a portfolio.
- Exchange Traded Instruments (ETIs) – if you select an ETI below, the sale trade will be rounded down to the nearest whole number of shares. Any cash held in your account will be used to meet any shortfall in the withdrawal amount requested. If there is insufficient cash to meet the requested withdrawal we will contact you for further instructions. A Dealing Charge will also apply to each ETI sold.

*Show the amount to come from each asset/portfolio as a percentage of the total withdrawal amount.

* Show the amount to come from each asset/portfolio as a percentage of the total withdrawal amount.

Part B. Assets to move into a crystallised account

We will move the remaining assets into a crystallised account. If this is a partial crystallisation, we will move an amount taken proportionally across all assets.

Alternatively, if you would like to move specific assets into your crystallised account, please complete the details below:

Name of asset/portfolio	Whole %*			
Total	1	0	0	%

*Show the amount to come from each asset/portfolio as a percentage of the total to be moved.

* Show the amount to come from each asset/portfolio as a percentage of the total to be moved.

9. Income withdrawal - crystallised account

- Your crystallised assets will be invested into your existing 'designated' crystallised account. If you do not have an existing designated crystallised account, a new one will be created for you. Instructions in section 9 will apply to this designated crystallised account.
- If you have a designated flexi-access drawdown account and a designated capped drawdown account, we will invest in the designated flexi-access drawdown account and instructions in section 9 will apply to that account. However, if you would like us to invest in the designated capped drawdown account, and for instructions in section 9 to apply to the same account, tick here:

- In this section, and in other parts of this form, we refer to capped and flexi-access drawdown. Your income withdrawal options will depend on whether your account is in capped or flexi-access drawdown - if you are unsure, please contact your financial adviser.

Capped drawdown

- If you started capped drawdown before 6 April 2015 and have not since converted to flexi-access drawdown, it means you are still in capped drawdown.
- If you choose to invest your crystallised assets into an existing capped drawdown crystallised account the income withdrawal available to you will be re-calculated. If it is higher than what was previously available it will have an immediate effect on the income withdrawals you can take each year under capped drawdown rules. If the amount is lower, the lower amount will only apply from the start of the next income payment year. You will be notified of the revised annual amount of withdrawals you can make under capped drawdown rules.
- Income withdrawals can be changed up to the maximum limits set at your last review. Reviews will be conducted every three years until age 75. After age 75 these reviews will be annual. Certain events will also trigger a review and you have the option to recalculate your maximum income each year.

Flexi-access drawdown

- There is no limit (cap) on the amount of income you can take using flexi-access drawdown. However, once you take income in this way, the amount you can pay into 'money purchase' (also known as 'defined contribution') schemes in any tax year without being liable to a tax charge is subject to a limit called the 'Money Purchase Annual Allowance' (MPAA). This is currently £10,000.

Part A. Convert to flexi-access drawdown

Tick here if you are in capped drawdown and you want to immediately change to flexi-access drawdown.

- This means your annual income will no longer be capped and there will be a reduction in the annual amount you can pay into money purchase pensions known as the Money Purchase Annual Allowance or MPAA. For more information please contact your financial adviser.
- Before you can convert, you must hold sufficient cash within your account to cover the cost of any fees and charges accrued to the date of conversion. Your financial adviser will be able to help you with this.

Part B. Regular income withdrawals

B.1 Set up or amend regular withdrawals

► We need to receive amendments at least 10 working days before the next payment date. If you leave this section blank, existing instructions will continue unchanged.

Start date*

► Any day from 01-28; if left blank, we will apply the earliest possible payment date.

*The start date could be delayed if there are other transactions in progress on your account; see 'Timescales' on page 2.

- Before tax
- Minimum £25 monthly, £75 quarterly, £150 half-yearly or £300 yearly
- The amount you enter above will be the amount you receive each month, quarter, half-year or year (as applicable)
- If your crystallised account is in capped drawdown, and you are not converting to flexi-access drawdown, this value must be less than the maximum allowed under capped drawdown

OR

Maximum amount allowed under capped drawdown

- Capped drawdown only
- You will be paid the maximum amount each scheme year
The amount will be divided by the number of payments remaining in the scheme year. For example: If your maximum income amount is £12,000 and you select a monthly frequency with 6 months remaining of the scheme year, we will pay £2,000 each month for 6 months. Once the new scheme year begins, we will then pay £1,000 each month

B.2. Cancel regular withdrawals

Tick here to stop taking regular withdrawals from the account detailed in section 2 until further notice.

► *Available for flexi-access drawdown only – you can convert from capped to flexi-access drawdown in section 9 Part A*

We will meet your income withdrawal by selling proportionally across all portfolios and assets.

Show the amount to come from each portfolio or asset as a percentage of the withdrawal amount; the percentages must total 100%.

- If you have selected both a regular income withdrawal and a partial single income withdrawal, the assets you list will be sold to meet each withdrawal type. If you want to select a different asset choice for each withdrawal type, please provide details using a copy of this page, clearly setting out your instructions.
- If you select a portfolio below, we will take the amount requested from the portfolio as a whole; we cannot withdraw from individual assets within a portfolio.
- Exchange Traded Instruments (ETIs) – if you select an ETI, the sale trade will be rounded down to the nearest whole number of shares. Any cash held in your account will be used to meet any shortfall in the withdrawal amount requested. If there is insufficient cash to meet the requested withdrawal we will contact you for further instructions. A Dealing Charge will also apply to each ETI sold.

10. Your bank details

If you are not currently taking income withdrawals, or you want to change the bank account into which we pay your income, please complete this section.

- This must be a UK bank account in your name or with you as a joint holder; we CANNOT make withdrawal payments to third parties or business accounts except for sole trader accounts.
- Some banks or building societies cannot accept direct credits.
- If you change your bank details, or if you want to request payment to a different account in the future, just let us know. We can hold details for up to four bank accounts under your customer reference number.

Supplement B

Money used before 6 April 2006

You only need to complete this page if you ticked 'Yes' in question A3, in Supplement A on page 10, entitled 'Events outside of the CRA'.

To take account of any money used before 6 April 2006, your tax-free allowances are reduced the first time you use your pension pot from 6 April 2006.

Please tell us if you have used your pension pot before 6 April 2006 in any of the following ways:

- **Annuity** – this is where you have used your pension pot to buy a guaranteed income for life from an annuity provider
- **Scheme pension** – this is where your workplace pension or personal pension pays you a guaranteed income for life
- **Drawdown** – this is where your money is set aside and ring-fenced so that you can draw down income from your pot at any point.

Supplement D - Payment Options

Only complete this supplement if you selected ii) in section 4.2 of your form.

What you need to do

- Complete the boxes below to tell us the amount and which Quilter Product you want to invest in.
- If the total proceeds from the sale of your investments are **more** than the amount you want to invest into another Quilter product, we will pay the balance into your bank account detailed in section 10.
- Your financial adviser must apply online for the product you wish the payment to be made to. This could be a new product, or a top-up to an existing one.
 - It could be a product in another person's name, but only if that person is eligible for 'family linking'. See our website for 'family linking eligibility'.
 - It isn't possible to reinvest the tax-free cash back into a CRA in your name.
- **Guidance for your adviser** (regarding the online application)
 - The contribution type for the online application must be '**single payment**', with the payment method '**bank transfer**'. Payment to a product in another person's name must be entered as a '**third-party contribution**'.
 - To make sure that there is sufficient money to reinvest in the Quilter product, please do not enter more than 95% of the estimated tax-free cash to reinvest where a 'full crystallisation' has been selected.
