

Our Shared Prosperity Plan in 2019

Responsible business for a sustainable future

See the highlights from our 2019 Responsible Business Report below:

Financial wellbeing

Making financial advice more accessible

- ▶ Quilter Financial Adviser School has trained **74** (19% more) graduates meaning more qualified advisers to help our customers to achieve their goals.
- ▶ And **30% more** of the graduates were female.

Promoting good money habits

- ▶ Our existing wellbeing initiative, Thrive, expanded to include financial wellbeing in 2019. We kicked off our face to face financial wellbeing workshops and included lots of new resources in the online Thrive hub.

Thrive

Empowering young people to manage money well

- ▶ Over **11,000** young people participated in financial education workshops funded by The Quilter Foundation and delivered by our partner, MyBnk.

Inclusive growth

Helping young people into employment

We partnered with three charities focused on supporting young adults into further education, training or sustained employment.

We became a founding member of LGBT Great which aims to be a catalyst for LGBT+ equality and inclusion within the investment industry.

Responsible investment

171 AGM's + **2,400** Resolutions

We used our influence as investors to promote good environmental, social and governance practices amongst the companies we invest in on behalf of our clients.

We voted at **171** company annual general meetings which included **2400** individual resolutions.

61% reduction

Reducing our environmental impact

We have reduced our greenhouse gas emissions by **61%** since 2016. We've achieved this by being more energy efficient and switching many of our offices to use renewable energy.
